Late arrival to school

Please ensure when your student is late to school that you accompany them to the office to sign in via our iPad system.

Visitors/Volunteers— Please ensure when you are visiting the school that you use the iPad to sign in and out off at the Office.

SWIMMING PERMISSION NOTES AND PAYMENTS

Please ensure you return your form and payments by Wednesday 22nd November.

RETURN LIBRARY BOOKS

Please have a look around the house and return any library books students are not reading.

Dear Families

Out of School Care: The staff in the program do a great job of supporting families who need this service. The program is of a high quality due to the hard work from the staff. Too much time is spent in chasing accounts instead of planning and working with the children in the program. All families who use the program can help by keeping all accounts in the positive! Accounts are still issued so families can track their usage and monies held. This would allow Cheryl to concentrate on our children and the program.

Report Writing Day: A reminder to all families that our report writing day has been designated for November 20 (Monday). We always try to have any Pupil Free day on a Monday or Friday to assist families. Staff will be working on the assessments and notes contributing to the children's final report for 2017.

Children are not required to be at school.

Any family who requires child care for the day needs to contact Cheryl or our office asap to book in. Please be aware that the before and after school care service will be provided with CCB support. The day program does not have CCB support.

Parent Survey: An issue that was raised was around anaphylaxis and the policy the school follows. We are not a nut free area. This is in line with both the Departments policy and recommendations from others such as the Royal Children's Hospital. This is due to the fact that we cannot guarantee that nut products or residue has not come into the school.

Our policy is to ask/request families do not send these products to school as we have children who are seriously affected by coming into contact with these items. We also discourage the sharing of food (Again this is impossible to guarantee)

We currently have 12 students who are affected by nut products/dairy products.

All staff undergo training to identify and deal with a child who is affected.

Our community needs to assist us in keeping the children safe. BUT a nut free school is not a guarantee.

Parent Input into classes for 2018: Thank you to the families who have written to me pointing out some Educational issues we need to consider for 2018. A few parents requested placement of children with friends. All children have input with who they would like to be with via a class based process.

Overarching all request is the information that staff bring to the process regarding good fits for a working classroom.

Building Fund: Last week's finance meeting discussed the 2018 Building Program and how we, as a School community, can contribute to the new facility. With School Council approval we are suggesting that we pinpoint the Building Fund donations as a means of building the best facility possible. The 2.4 million dollars will go a long way to providing the building however there are other costs not included. These include:

- *Provision of air conditioning.

- *The re establishment of the art room. This may involve moving art to the room currently used by Peter Dearnley's class this year.

Congratulations to our Cricketers: Once again our children have given 100% effort at the Division Cricket Lightning Premiership Cricket competition. A more comprehensive report is in our newsletter but both teams have won through to the next level of the competition. Congratulations to all our players and coaches Mylea Adams and Tom Burke. Who said the Ashes was the most prestigious cricket competition!!!

Happy Birthday !

Regards,

Gavan Welsh, Principal

SPONSORSHIP CO-ORDINATOR—Apprentice Wanted

Susie Ward who has been our sponsorship co-ordinator for 5 years is looking to train someone to takeover that role from 2019.

Susie is more than happy to work in conjunction with that person and is obviously keen to handover.

If you are interested, please contact Gavan or leave your name at the office.

supporting the work of Bravehearts.

**RUN GEELONG 2017
DON'T FORGET TO
REGISTER AS CHILWELL PS**

Sunday 19th November 2017.

LIGHTNING PREMIERSHIP CRICKET

On Monday November 13th the boys and girls teams headed down to Kardinia Park to play in the T20 Cricket. It was a warm day but the students were excited to take on the challenge. After 3 rounds of cricket both teams were undefeated. We were announced as finalists with one more game to win! Both teams competed at the same time with anticipation. Both finals were close and went down to the wire! We would like to congratulate our grade 5 /6 's on winning the Geelong Finals MILO T20 Blast School Cup "Boys & Girls" Carnival! A huge thanks goes to Tom Burke for coaching, scoring and being a mentor for our boys team! Thanks also to the support crew of parents that came on the day! A fabulous job from both teams with a few hat tricks from the girls and boys!

The Regional Final for winners of T20 Blast Carnivals (both boys and girls) is to be held on **Wednesday 22nd November 2017 at Victoria Park, Ballarat.** Details to follow.

WHY I LOVE CHILWELL PRIMARY SCHOOL

BY TOM WARITA

I love Chilwell Primary School because of all the fun learning,

I like play because I get to play with my friends outside,

I like library because of all the interesting books we get to read,

I like PE because of all the new sports we learn,

I like Italian because I get to speak another language,

I like spelling because of the hard words,

I like art because of the creative things we make and draw

And I like ICT because of the cool activities we do,

That's why I like Chilwell Primary School.
