Child Care Benefit

Child Care Benefit (CCB) is available to **ALL** parents regardless of income. To ensure that you are linked to our service through the Child Care Management System (CCMS) and to have Child Care Benefit applied to your childcare fees you must contact the Family Assistant Office (FAO) on 136150 or online at www.centrelink.gov.au to confirm that they have correct name and date of birth of the parent and child who is registered for CCB.

When claiming CCB, you may be required to provide our CRN. This is provided below.

Chilwell Primary School Outside School Hours Care

When contacting the Family Assistance Office you will need to ask the following questions :

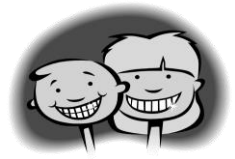

- What is my and my partner's (if applicable) CRN?
- What are my children's CRN?

Once you have this information you can then add it in the table below.

FEE PAYER'S NAME:	FEE PAYER'S CRN:
Childs Name:	CRN:

The FAO will inform you that they will send a letter to you with your CCB eligible hours and percentage. Could you please supply us with this information before your child/ren start in our care. This is so we have the right information entered into our system and we can bill you correctly.

HOW WILL I RECEIVE MY CCB?

CCB can be administered in two forms. Either by a daily reduction in fees or as a lump sum claim at the end of the financial year. The choice is yours in how you would like to receive your CCB entitlement, you just need to advise FAO of your choice. Remember, your choice can be changed at anytime.

For parents who have a fluctuating income/s or are unsure of what their taxable income will be for the financial year, a lump sum claim may be the better option . Your CCB percentage is based upon what you estimate your income will be for that entire financial year.

If you have any further questions in regard to lump sum claims, CCB percentage rates or general CCB enquiries, please contact the FAO.
