## Request for Parent Contribution - 2013

Dear Parents,

February 2013.

The Department of Education and Early Childhood Development, through our Student Resource Package, allocates Chilwell a Teaching Support Grant which enables us to provide curriculum materials and administrative support for classroom and specialist programs.

However, despite careful planning by the School Council's Finance Committee, we are unable to provide the current range and quality of educational programs without a direct contribution from parents.

Please note that financial assistance is available for eligible families through the Educational Maintenance Allowance (EMA). The School Council also maintains funds to which tax deductible donations can be made (see below).

The staff and council are most appreciative of the strong community support for fundraising activities throughout past years. The level of support through fundraising will still rely heavily on the annual Food Fair, and the voluntary Fundraising levy will reduce the need for other fundraising activities eg. Chocolate Drive. The monies raised through the parent and voluntary contributions will provide for specialist curriculum programs and development of our facilities. For 2013, monies will be directed to refurbishing rooms in our school (tables/chairs). Your payment will ensure Chilwell Primary School maintains a stimulating, varied and well resourced learning environment for all students.

If we do not receive payment from all families it may have an adverse affect on what we can offer in curriculum programs.

<b>PARENT PAYMENT - per student</b> Children's requirements (pencils, pens, exercise books, crayons, textas etc.) Music/Performing Arts Program, I.C.T Program Life Education program	<b>\$205.00</b>
<b>VOLUNTARY BUILDING FUND CONTRIBUTION – per student</b> Tax Deductible (Please read below about tax benefit attached to this contribution).	<b>\$50.00</b>
<b>VOLUNTARY FUNDRAISING LEVY - per family</b> This is a levy which has been introduced in lieu of a chocolate fundraiser which has operated in previous years.	<b>\$45.00</b>

### VOLUNTARY CONTRIBUTIONS

The Chilwell Primary School Building and Library Funds, while optional, continue to provide improved facilities for our children. The improved facilities provide a wonderful learning environment for the delivery of core curriculum along with a wide variety of extra curricular activities. The contributions in the past have allowed us to refurbish the Grade 1 classrooms, cover the relocatable buildings, assist in resurfacing the school oval, install 19 interactive whiteboards in classrooms, assist in the cost of the new 5/6, Library, Technology area.

School Council is keen to continue the fantastic improvements to our school.

For 2013, monies contributed will be directed towards refurbishing rooms in our school (tables/chairs).

- ***Please note that this donation to the Building Fund is Tax Deductible.***

- Please record your donation and return this form, together with your Parent Contribution, Voluntary Building Fund Contribution by February 28, 2013.
