**REMEMBER TO BRING YOUR HAT TO SCHOOL**

**NO HAT—NO PLAY**

Dear Families,

**Concert:** What a great night of song, dance and entertainment!!! The comic relief supplied by our staff was also of note.

People to thank: Firstly the performers who, as always, gave their best and looked fantastic.

Our families who supported us by attending (over 1000 people!) and seeking costumes.

Kai, who did a great job of compiling dance moves, music and rehearsals.

Howard for his freely given time to practice songs.

Office staff, Sara, Helen and Lesley, for their organisation and extra time.

Our staff who practice, support and encourage our children. Thank you to Sarah J who tried to develop some coordination in our staff!!!!

As always the Arena staff have been so easy to work with.

The staff item had teachers, office staff, aides, relief teachers and student teachers in it. This is a wonderful reflection on the school we are so lucky to be part of!

**Welcome:** This week we welcome the Puccinelli-Neto family who have started their Chilwell life. Sophia has joined Nikki Robertson's year 5 class. Mum, María and Dad, Sabino are also welcomed to our community.

**OSHC payments:** I know Cheryl will be in touch if your OSHC payments are in arrears but if you can be proactive and help Cheryl by making your payments before the end of term, it would be greatly appreciated all round!

This also results in families being barred from using the service until payment is made.

**Division Athletics:** Again, all the best went with our team who represented Chilwell yesterday at this event. This level is certainly of a high standard and again I am sure that the Chilwell endeavour and effort was clearly on display. Thanks to Peter B for his commitment to the team through organising and training.

Also thank you, in advance, to all parents and friends who have supported our team.

**Hats:** In line with the anti cancer recommendations we are expecting all children to have their school wide brimmed hat. The weather is unpredictable but we follow the anti cancer recommendations with regard to timing of our hat policy.

**Chilwell Library:** Our libraries are a vital link in our children and families love of reading. This love and exposure to literature is an important part of our community and education.

The following link is to a survey which will supply feedback on the operation of our libraries. I encourage everyone to take the short amount of time to supply feedback and continue to improve the library service.

**End of Term:** Again a few reminders which I will also place in next week's newsletter.

1. The crossing will be supervised from 2.30 Friday week. If you are coming to the last assembly please take care crossing the roads which are normally supervised..
2. Finalise all Out of School Care Accounts and place them in the positive ready for term 4.
3. Term break is a great time to check if uniform names are visible and undertake a head lice check.
4. From the beginning of term 4 all parents who are on camp or excursions with children will require a working with children's check undertaken successfully and present a copy of the document to the office for filing.

Regards, Gavan Welsh, Principal.

And first prize for the most interesting science fact went to Eliza Vague.

Immortal jellyfish can basically live forever. If the temperature isn't appropriate or there isn't enough food- it will turn into a little blob and go back to its baby stage (like a butterfly going back into its cocoon) and then it re-grows when the environment is suitable again.

Congratulations Eliza!
