## POLICY: WORKING WITH CHILDREN CHECK

---

### 1. Rationale:

As of the 1 January 2008, all schools are required to comply with the Working with Children Act 2005, and ensure that any person unsuitable to be involved in 'child related work' does not do so.

### 2. Aims:

- To ensure children under our care are protected from being exposed to inappropriate people.
- To ensure all people engaged in 'child related work' with our students and who are required to have Working with Children Checks, do so.
- To ensure that our school complies with the relevant Acts and laws.
- To provide an environment that is safe.

### 3. Implementation:

All workers or volunteers related in 'child related work' must undergo Working with Children checks prior to commencing work.

You are considered to be performing 'child related work' if you work or volunteer at a school or school related activities, and you volunteer or do this work on a regular basis, and you have direct contact with children under 18 years of age which is unsupervised, and you do not qualify for an exemption.

All teaching staff members are registered with the Victorian Institute of Teaching, and undergo ongoing monitoring that satisfies Working with Children check requirements, and are therefore exempt. Police officers are also exempt.

Parents who volunteer in relation to an activity in which his or her child ordinarily participates (eg: classroom reading) is also exempt. If the same parent volunteers in a class or activity that his or her child does not ordinarily participate in, then a check is required.

School Council does not pay for Working with Children checks. WWC Checks last for 5 years.

All people required to have Working with Children checks are issued a WWC Check Card which School Council expects them to display on their person at all practicable times when working or volunteering at the school or during school related activities.

School Council will maintain a record of volunteers with up to date WWC Checks.

School Council requires that all volunteers directly involved in school camps, excursions, sleep-overs, teaching of swimming lessons, transport of students without staff members present, extra-curricular activities such as school sporting teams etc. all have Working with Children Checks. A file of these is kept in the office and reminders placed in newsletters.

School Council will consider other activities such as incursions on a case-by-case basis.

The school will maintain a register of individuals working with children registration status. This will be via Chilwell primary School register and DET register.
