

YARD DUTY AND SUPERVISION

PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Chilwell Primary School (Chilwell), including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Chilwell's grounds are supervised by school staff from 8:45am until 3:45pm. Outside of these hours, school staff will not be available to supervise students.

Parents and carers will be advised through the school Newsletter and Newsfeed items on Compass that they should not allow their children to attend Chilwell outside of these hours. Families will be encouraged to contact the administration team on 52212738 for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, a staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, a staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty

All staff at Chilwell are expected to assist with yard duty supervision and will be included in a term roster.

The Assistant Principal is responsible for preparing and communicating the yard duty roster on a regular basis. At Chilwell, school staff will be designated a specific yard duty area to supervise or will be allocated Active Supervision (more closely monitored supervision of students).

Yard duty zones

The designated yard duty areas for our school:

Please Note: Area 2 and 3 are supervised during Before and After School Hours. Area 1 is only supervised during recess and lunchtime.

Area	Location
Area 1 <i>Recess and Lunchtime Only</i>	Front of the school and north side of the school near Huntingdon Street.
Area 2	Prep courtyard, asphalt area, toilets, netball courts, basketball courts and Junior Playground.
Area 3	Portable deck, synthetic area near portables, oval and Senior Playground

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. (Extra safety/hi-vis vests will be stored in corridor outside staff room together with mobile phone and medical kit.)
- always carry the yard duty first aid bag during supervision. The yard duty first aid bag is provided to all staff with additional bags available outside the staff room. Staff must refill supplies as required.
- Be familiar with the yard duty student health and safety information located on the bag tags of the medical bags and displayed in the first aid, staffroom and classrooms.
- Mobile phones must be collected from the area near the staffroom for the first duty rotation and handed to the relieving staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- ensure students remain in their designated year level zones
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable. All head knocks are to report to sickbay
- log any incidents or near misses as appropriate on Compass.

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Assistant Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If a relieving or next staff member does not arrive for yard duty, the staff member currently on duty should contact the Staff Room via the First Aid phone number and not leave the designated area until a replacement staff member has arrived.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should contact the administration team and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the office/Principal. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training [Excursions Policy](#).

Digital devices and virtual classroom

Chilwell follows the Department's Cybersafety and Responsible Use of Technologies Policy with respect to supervision of students using digital devices.

Chilwell will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Assistant Principal or delegate will ensure arrangements are made to roster additional staff as required to undertake Active Supervision. This may include on yard duty, in the classroom or during school activities.

COMMUNICATION

This policy will be communicated to our school community in the following ways:
